Horgen, January 2020

**Dear Friends of Hong Kong,**

Starting with the Year of the Rat we hope battered Hong Kong will quiet down. The prediction of the Metal Rat Year is strong, prosperous and it should be a lucky year for almost all Chinese zodiac signs. A good year for starting something new with determination to reach possible goals, aspirations, and even evolve in hobbies. With all this in mind, you are cordially invited to attend the forthcoming Hong Kong Treff 2020.

Like in previous years, our regular Hong Kong Chef, Mr. Kwok Kei NG will prepare Lunch with genuine Chinese and Asian dishes "**Dai Bai Dong style**". For this year's Luncheon we have chosen the ball room of the Hotel Courtyard in Oerlikon. The GM, Jochen Renz, recommended by our friend Roland Ulmer will make sure great service and excellent Cantonese Food can be enjoyed. Asian-Style Oval tables seating 8 people will be provided.

You will be able to taste excellent food and drinks, including Apéro, Appetizer, Asian Buffet, Desserts, Coffee and Tea for an attractive price of **CHF 88.–** per person with a surcharge for wine lovers. Children up to 8 years are free of charge and up to 16 years will be charged half-price. Payments by Cash or Credit Cards will be collected by hotel staff on the day of the event.
